

# Biodegradable Computer Bag

**ECO Guardian's** Computer Bags are in a class all by themselves—there's nothing like them on the market! Our Computer Bags are fully biodegradable, all the way to the buttons! Made of canvas or jute, our bags are the perfect alternative to traditional leather or plastic briefcases.

Tired of lugging a heavy leather briefcase around? **ECO Guardian's** Biodegradable Computer Bags are lightweight, yet extremely durable. With a large carrying capacity, they can accommodate a 17 inch laptop. Crafted with close attention to detail, you won't sacrifice utility in the name of sustainability.

Don't see the size you need? **ECO Guardian** will manufacture a Biodegradable Computer Bag to fit your unique needs. Build brand loyalty and make a statement of your commitment to the environment by customizing our Computer Bags with your company's colors and logo.

## Set your company apart and make a statement!

- Attractive and well crafted
- Attention to detail
